Welcome to CNI family

CNI is a leading multi-level marketing company in Malaysia. To be a distributor of CNI you must be sponsored by an authorized and registered distributor. If you do not know of any authorized and registered distributor who can sponsor you, the Company will assign a sponsor for you.

CNI offers you the perfect Business Development Plan (BDP) to achieve your dreams. Success stories are plentiful in CNI. However if you merely wish to take advantage of your position as distributor to purchase CNI Products for personal consumption, you have made a wise decision and would have saved a sum equivalent to the difference between the distributor price and the consumer price for each CNI Product (excluding Catalase Shopping) that you purchased, for Catalase Shopping you would have earned precious DV (donor value) and PV (promoter value) which would be used to calculate the bonus payable to you and your entitlement to promotion in accordance with the BDP. Purchase would be governed by the Terms and Conditions and User Agreement.

As a distributor you would have to agree and comply with the Distributors Rules and Regulations, and all regulations made pursuant thereto and you must read and understand the same.

If you agree to the terms and conditions set out in the BDP, Distributors Rules and Regulations, please proceed to complete the registration process by clicking button below.
